

ID117 Library Discovery Tasks

Student Name:

ID Number:

ID117 Professor:

Discovery Tasks: Go to <http://www.marymountpv.edu/academics/library>. Click on the “ID117 Discovery Tasks” link and follow the directions.

Assignment: The online discovery tasks will introduce you to the basic resources and services offered by the Marymount Library. There are 4 tasks and 1 questionnaire to complete. Each task is followed by questions or activities. Print out this worksheet and use it to answer Assignment Parts 1 and 2. Print out and staple your findings for Assignment Parts 3, 4 and 5 to this worksheet.

Grading: This assignment will be marked as either complete (100%) or non-complete (0%). **You must complete all 5 parts to get a “complete”** (full points), otherwise you will receive a “non-complete” (zero points), even if you do 4 of 5.

Due Date: Submit the assignment at the front desk of the library (or to a librarian) any time throughout the semester. The last day assignments will be accepted is the due date set by your ID117 instructor.

Discovery Task 1: Take a Tour of Library Resources

*Complete the online activities. Answer the following questions in the space provided or attach a separate document. No bullet points: you must **answer in complete sentences**. Answers require at least 3-4 sentences.*

i) Briefly describe the range of resources available to you from the library. Were there any surprises?

ii) If it's Sunday night and the physical library is closed, what library resources are still available for you to use?

Discovery Task 2: Take a Tour of Library Services

Complete the online activities. Answer the following questions in the space provided or attach a separate written document. No bullet points: you must answer in complete sentences.

i) Briefly describe one library service of interest, and comment on when and why you would use it.

ii) If you have a research paper coming due, what kind of help could you ask of the Librarians?

Assignment Parts 3, 4, and 5

Follow the online directions for Assignment Parts 3, 4, and 5. Print out and staple your findings to the worksheet.
